- Control with your smartphone via the free Je Joue app
- Connect with your partner from anywhere using the app's playlist function
- Wide range of vibrations, from a gentle purr to a deep rumble with 5 powerful speeds & 7 teasing patterns
- 2 independent motors: 1 for G-spot vibration and 1 for clitoral stimulation
- 100% waterproof (bath friendly)
- 100% body safe silicone (phthalate-free)
- Quiet, yet powerful
- Sleek and completely seamless with a velvety-smooth surface
- 2 hours charge gives 2 hours pleasure
- Available in 4 shades: black, fuchsia, purple and lilac

Why Dua?

Partner-controlled or solo play

Play together, tease and take (or lose) control! Dua is perfect for foreplay at home - or away, for the more adventurous. Our discreet app also makes solo play all the more enjoyable.

Simultaneous sensations

Dua combines clitoral stimulation with pleasantly firm G-spot vibration to bring women a sophisticated alternative to traditional dual-stimulator massagers.

Customisable pleasure

Dua's flexible design allows users to position both vibrating ends exactly where they need them to give enriched pleasure experiences.

Pelvic strength

Dua's rounded end can also act as an effective Kegel exerciser that improves the PC muscle fitness while providing pleasurable sensations. Your PC muscle will naturally squeeze around Dua, helping strengthen your pelvic floor.

How to use Dua

Controls

To turn Dua on, press and hold the push-button at the end of its base for 3 seconds. To sync with the Je Joue pen remote, press the remote's top button and wait a few seconds until the toy starts vibrating. Once connected, simply press the button again to go through its different pulsation patterns. Twist the button clockwise to increase the speed and twist anti-clockwise to decrease the speed.

Each press of the button will run through the following pulsation patterns:

- Pattern 1 (Cascade) – linear vibration both from clitoral and G-spot motors
- Pattern 2 (Pulse) - linear vibration from clitoral motor only
- Pattern 3 (Soft) - linear vibration from G-spot motor only
- Pattern 4 (Intense) – alternate vibration from both clitoral and G-spot motors
- Pattern 5 (Energize) – alternate 2 clitoris stimulation for 1 G-spot vibration
- Pattern 6 (Glow) – linear clitoral stimulation and ascending G-spot vibration
- Pattern 7 (Mood) – ascending vibration from both clitoral and G-spot motors

To turn Dua off, press and hold the push-button at the end of its base for 3 seconds.

The Je Joue remote control runs on 1 AAA battery (not included).

Je Joue App

Dua can also be controlled using the free Je Joue app (where available) in place of the remote control.

Charging

To charge Dua, place the charging dock directly over Dua's ON button. You will feel its magnetic core pull it into place. When charging, a light will flash. When fully charged, the light will remain steady on until the charging dock is removed.

Lubrication

Water-based lubricant only is recommended for use with Dua.

Cleaning

Wash Dua with warm water and pH neutral soap.
